the reply proposed is desirable.
The Senior Surgeon has no

item exceeding Rs 200.

The office may perhaps be
lecturnally right - but no
useful object is likely to be
gained by sending a reply

would like the Govt.

The above statement and requests sanctioned for Rs 10000/- being placed at his disposal to adjust all accounts up to end of January 03

(1) From the above statement it is observed that the cost of the disinfectants purchased from July to end of November 1902 is Rs 5875-4-0

Add the balance remained on 1st July 1902 } 1974-12-0
Total Rs 7650-0-0

As per statement received with Senior Surgeon's docket No 892 dated 9.12.02 } Deduct the cost of the disinfectants issued to the Districts from July to end of October 1902 } Rs 5714-10-6
Balance on hand on 1st Nov 02 Rs 1935-5-6

(2) The Budget grant for the year 1902-1903, for the purchase of disinfectants is Rs 10,000/-

The amount already sanctioned for the above purpose from July 1902 is Rs 7,000/-
Balance Rs 3,000/-

It is not clear from the statement now received from the Senior Surgeon as to why a sum of Rs 10,000/- is required to adjust accounts up to end of January 03 while a sum of Rs 7,000/- has already been sanctioned for the purchase of disinfectants during the current official year.

22 To the enquires made in this office No 15339-I.P.P.752
dated the 25th April 1903, regarding certain ~~certain~~ items
of expenditure on account of disinfectants &c in the statements
referred to above the Senior Surgeon reports as follows:-

F.S. 24.27
(B)

- (a) That the amount of loan of Rs 120-3-10 refunded
to the Supdt. Medical Stores, was for contingents
and other charges incurred month after month
when all the funds at the disposal of the Senior
Surgeon had been exhausted and for which accounts
are reported to have been duly furnished to the
Comptroller; and that the advance of Rs 100 made to
the Plague Br. of his office will be recouped
shortly
- (b) That the pay of the Plague Clerk attached to
his office has not been charged to the contin-
gencies but is only shewn as an item of expenditure.

(c)

(c) That the pay of the establtt. shewn as Rs390/-

is reported to be correct, as the sum of Rs150/-
shewn in the statement forwarded with his ^{letter} ~~state-~~
~~ment~~ No1485 of the 2nd.ultimo relates to the pay
of the Plague Clerk for the months of Octr. 1902
to Feby. 1903(both inclusive) and the balance of
Rs240/-, being the clerk's pay for the months of
Feby. to Septr. 1902 and has been included in the
sum of Rs255-4-2 shewn as deducted by the Treasury
in the Pass Book for the month of Novr.1902. It is
further reported that although the Budget estima-
tes from March to Septr. 1902 were not ~~not~~ passed
in time and as such there were no funds at his
disposal yet the Plague Clerk was regularly being
paid his pay. The practice from the beginning is
stated to be for the Treasury to pass the pay
bills of the clerk in question every month, even
when there was no balance left at the credit of
the Senior Surgeon, to shew it as minus balance
in the Pass Book of drawings and to adjust it when
funds are sanctioned for the Stores, hence the
deduction of Rs255-14-2

^{est. 7}
The sundry articles purchased is reported
to amount ⁴⁻ Rs113-4-6 and not Rs133-14-6.

(d) That all the bills pending adjustment were sent
to the Comptr. on 19th Feby. 1903 and that as no
date was fixed by the Govt. or the Comptr. within
which such bills should be adjusted, the Senior
Surgeon states that he is unable to say whether
they were sent in time or not.

(e) That the details for the sum of Rs255-4-2 ^{and for disimpulacat} are
stated to be as given below-

1 Clerk's pay from Feby to Septr. 1902	Rs240-0-0
Amount overdrawn on cheques against	
letter of credit	["] 15-4-2
	Rs255-4-2

2 Perchloride of mercury ~~Rs~~ 2296	Rs5740-0-0
Acid hydrochloric 2 tons	"1680-0-0
	Rs7420-0-0

13

(f) As for the reason why he purchased such a large quantity of disinfectants the Senior Surgeon refers to his No1344 dated the 11th March 1903 and adds that they were purchased in Decr. last when disinfection by desiccation was neither tried nor resolved to be experimented upon.

S. No 22 (7)

S. No 26 (C)

23 The Compt. was also asked why the expenditure incurred by the Senior Surgeon on account of disinfectants and other articles from March to June 1902 and that incurred from July to Sept. 1902 was not adjusted in the accounts for 1901-02 and 1902-03 as per Pro. Nos. 5124-35-L.B.P. 228 and 6701-12-L.B.P. 305 dated the 29th Sept. and 31st Oct. 1902 (vide No15254-L.B.P. 750 dated the 22nd April 1903)

+ L.B.P.

S. No 28 (A)

24 In reply the Compt. states that though the purchases were made previously, payments therefor were not made till Novr. 1902, and that amounts paid in Novr 1902 cannot possibly be included in the accounts for 1901-02, that moreover what the Senior Surgeon requested was to adjust these amounts in previous year's or month's accounts in order that the special grant of Rs5,000/- sanctioned in Pro. No6173-4-L.B.P. 304 dated the 31st Oct. 1902 for a particular purpose, viz, to adjust the accounts of the Medical Stores for disinfectants up to 15th Oct. 1902, may be made available for expenditure from 1st Oct. 1902 and onwards. Such a procedure, the Compt. observes is in contravention of all codal rules and cannot be adopted.

S. No 12 (E)

2/6/03 The Comptroller may be requested to submit a ^{statement} showing the expenditure incurred by the Senior Surgeon & debited to the grant of Rs7000/- made in the order noted in the margin and also the amount remaining to be adjusted upto the end of April 1903.

 Enclosure No.

With reference to his No. 13224 dated 28-2-03 has L.B.T. 615 2-3-03 the honor to state that the amount required to adjust accounts up to end of December 1902 is Rupees 9713-9-0 as per particulars on the margin and not Rupees 6161-5-0 as pointed out by him.

The excess expenditure incurred over the Budget Grant is due to the fact that owing to the recrudescence of Plague throughout the Province and the steady rise in the prices of disinfectants, a large stock of Perchloride of Mercury and

25 Hydrochloric acid was secured with a view to effect a saving, and there is now in stock a sufficient quantity of disinfectants to last another six months at the ordinary rate of demand.

It is therefore requested that sanction of Government may be kindly obtained for the sum applied for at an early date.

particulars about the money paid for
the purchase of disinfectants &c.

&&&&:-&&&&

In reply to the above, has the
honor to invite the Secretary's at-
tention to the statement sent with
this office letter No. 1485 dated the
2nd Inst. in which accounts have been
rendered for an expenditure of a sum
of Rs. 7966-8-2, spent upto the end
of March 1903 and to state that by
deducting a sum of Rs. 7846-4-6,
sanctioned in Govt. Progs. numbers
noted in the margin the balance re-
quired to adjust accounts upto the
end of December 1902, will be Rs

Govt Progs No 6113-14 dated 30.10.1902
213 (P) 304

No 11552 dated 9.2.1903
213 (P) 553

Rs. 120-3-8, Besides this, disinfectants worth Rs. 7420/- were purchased during the month of December 1902, along with some other sundry articles costing Rs. 133-4-6, as detailed in the accompanying statement, which have to be paid for hereafter. (115-16)

2. The undersigned therefore requests the Secretary to be good enough to obtain the sanction of Government to a fresh grant of a sum of Rs. 5673-8-2, exclusive of the amount viz., Rs. 2000/- applied for by the undersigned and disallowed by Government in their Proceedings No. 12297-8 dated the 24th February 1903, for want of particulars, which have since been furnished through the letter referred to above, to enable the undersigned to adjust the accounts upto the end of March 1903.

3. It may be further stated here that if the Comptroller had admitted all the charges incurred upto the end of September 1902 as ordered in Government Proceedings Nos. 5124-35 & 6691-9 dated 29th September and 31st October 1902 respectively, there would have been no difficulty whatever in taking the grant of Rs. 5000/- sanctioned in Government Proceedings No. 6173-4 dated the 31st October 1902, as a fresh grant for the current official year. It will be seen from the copy of the Comptroller's docket No. Pg. 516 dated 27th February 1903, herein enclosed that neither the expenditure incurred during the past official year nor those incurred during the months of July to September 1902, (both inclusive) for the purchase of disinfectants &c have been adjusted as observed in Secretary's docket No. 10930 dated the 20th January 1903. L.B.P. 228 L.B.P. 300 L.B.P. 304 L.B.P. 520

4. The enclosed is a classified statement showing how much money was spent under each head upto the end of March 1903.

5. Under these circumstances it is requested that the fresh grant now applied for may be sanctioned at a very early date.

6. The particulars of sundries for which a sum of Rs. 116-8-0 was paid to the Contractor is explained in the accompanying statement. These could not be included in the statement sent with this office No. 1485 dated the 2nd Inst., as they were purely for disinfectants purchased by the undersigned.

Genl No.Pg 516

His No.1214 dated 19th Inst.
forwarding two statements amounting
to Rs.704-0-9 and 3099-15-11, for
Disinfectants purchased upto end
of June 1902, and again from 1st July
to end of September 1902 respective-
ly and requesting (1) to adjust the
former in the accounts of the year
1901-2 and the latter in those of
1902-3 as authorised by Government
in their Proceedings No5124-35
L.B.P.1228
and 6691-9 dated 29th September &
L.B.P.300
31st October 1902 respectively, and
(2) to issue a letter of credit for
the total amount of the two above
lists, viz Rs.3804-0-8, so that the
full amount of Rs.5000/- sanctioned
in Government Proceedings No.6173-7
L.B.P.304
of 31st October 1902 and onwards.

With reference to the above has

has the honor to state as follows:-

(1) It is not clear from his above letter whether the cost of the Disinfectants as per the two lists sent therewith, have been paid or not. But apparently they are not.

*They are paid
J.A. P.H.B*

(2) The amount of the first list not having been paid before 30th June 1902, and the accounts for 1901-2 have been closed long ago, the adjustment of the amount of this list cannot now be made in that year's accounts.

(3) The above special grant of Rs.5000/- was applied for by him for a particular purpose. Such being the case the adjustment of the amount of the second list (Rs.3099-15-11) cannot be made in the manner suggested by him so as to make the full amount of this special grant of Rs.5000/- available for expenditure from 1st October and onwards, as, under the Government Order in question, this grant was intended only to meet the expenditure on Disinfectants upto 15th October 1902.

2. If further grants are required for expenditure under this head, sanction of Government, for such additional amounts as may be required during the rest of the official year, will have to be obtained.

Has the honor to observe, that the amount of loan viz. Rs. 120-3-10 said to have been refunded to the Superintendent, Medical Stores, and also the advance of Rs. 100/- made to the Senior Surgeon's office (Plague Deptt) for contingent charges cannot be treated as expenditure as there is nothing to shew that the former amount was spent for any particular purpose and the latter could be recouped on abstract contingent bills.

why the expenditure was not adjusted in time.

will be done so shortly.

2. The pay of the Plague clerk attached to the Senior Surgeon's Office, has not been charged to the contingencies, but is only shown as an item of an expenditure in the statement of contingent and other expenses.

3. The pay of the establishment shown as Rs 390/- in the classified statement referred to in the above communication is quite ^{correct}, in as much as the sum of Rs. 150/- shown in the statement submitted with this office No. 1485 dated the 2nd Ultimo, relates to the Plague Clerk's pay for the months of October 1902 to February 1903 (both inclusive) and the remaining sum viz; Rs 240/- is his pay for the months of February to September 1902, & has been included in the sum of Rs 255-4-2 shown as deducted by the Treasury in the Pass Book for the month of November 1902. It may be here noted that although the budget estimates from March to September 1902 were not sanctioned in due time and although no funds were placed at the disposal of the undersigned, the pay was regularly disbursed to the clerk. The practice in vogue, from the onset, is, for the Treasury to pass the pay bills of this clerk every month, even when there is no balance ^{left} at the credit of the undersigned, — to show it as minus balance in the Pass Book of drawings, and to adjust it when funds are sanctioned for the Stores. Hence the deduction of Rs. 255-4-2. The sundry articles purchased, amount to Rs. 113-4-6 & not Rs 133-14-6.

4. All the bills pending adjustment were sent to the Comptroller on the 19th Feb: 03, and the undersigned is unable to say whether they were sent in time or not, as no date was fixed either by the Comptroller or by the Govt. within which such bills should be adjusted.

5. The details for a sum of Rs 255-4-2 and for disinfectants are noted in the margin. The reason for purchasing such a large quantity has already been explained in this office No. 1344 dated 11-3-03. It was purchased in the month of December 1902 when the method of disinfection by heat process was neither tried nor resolved to be experimented upon.

Respected Sir,

I respectfully beg to approach
your honor with the following few lines
and trust that they will have your due
and kind consideration.

As per your honor's orders, I supplied
disinfectants to the medical stores, in
December 1902, to the value of Rupees 7/42.

Though it is nearly 6 months since the
supply was made, yet I regret to
inform your honor that no payment
has been made. I am therefore suffering
loss, as I have supplied the disinfectants
by borrowing money and paying an
interest of Rupees 75/- per month on the
amount borrowed. I humbly pray
that your honor will be pleased to
recommence me to Government for payment
of the said amount with interest
thereon at the rate at which I have
been paying.

For which act of kindness I shall

Sir,

In reply to your docket N^o 17423 dated 23rd 835
11th Instant requesting to submit a detailed statement showing the expenditure incurred by the Senior Surgeon and debited to the grant of Rs. 7,000/- sanctioned in Proceedings Nos. 6173-4 and 11552-3 dated 23rd (P) 304 23rd 553
31st October 1902 and 9th February 1903 respectively and also the amount remaining to be adjusted up to the end of May 1903, I have the honor to state that the charges incurred by the Senior Surgeon up to end of May last on account of disinfectants amount to Rs. 6,103-2-0 and a statement showing the details of

of disinfectants purchased and charged for, is therein enclosed for information.

As the Stock accounts of the Senior Surgeon do not show the purchases made against each sanction of Government, it cannot be ascertained therefrom what the purchases are, the payments made and the balance payable towards the sanction quoted above. Of these charges, Rs. 504/- is said to have been for purchases made by him prior to July 1902 but the payment having been made in November 1902, the amount has been charged in the accounts for 1902-1903.
